Allows you to use PowerManager WakeLocks to keep the processor from sleeping or screen from blacking out. Allows the app to write into external storage. Allows apps to access Wi-Fi network information. Allows the app to read from an external store. Heavyweight champion in mobile wrestling - celebrates over 60 million downloads! The fight revolution rumbles into the 3rd dimension, where it now has both aspects of business in one epic universe. A wrestling career challenges you to take shots in the ring, while booking a career lets you call shots behind the scenes - promoting entertaining matches every week for ratings. Seeing each side of the curtain gives you an even better appreciation for the other, and ensures that you will never get bored fighting again! Both modes are available to play for free, with the option of upgrades to enjoy the Pro experience without advertising or restrictions. And if Pro not enough, a separate Backstage Pass allows you to play God by keeping your changes in all 9 rosters before pits immortals against each other in dream matches of your own creation! With 4 pages of rules Mix and match - including up to 20 wrestlers in rings of any shape or size - the only limitation is your imagination. You can also let off steam without pressure by revisiting 8 weeks of Supercars from the promo tour of the game. Not to mention the interactive learning process that teaches you how to lock up first. BASIC CONTROLSGame has an interactive tutorial that you are encouraged to play through, but the main controls are: CURSORS - Movement (double tap on the dash)Attack (with direction, to aim high, without aiming low)G - GrapplerE - RunP - Pick-Up/Drop (with direction to throw)T - Taunt / Pin / Referee dutiesEYE - Change of focus / Turn the enemy aroundHEALTH METER - Switch characterCLOCK - Pause / Camera angle changes This game is also compatible with Android controllers such as NVidia Shield PERFORMANCEOn the same time, every effort has been made to keep the performance as high as possible, some devices may benefit from visiting the menu Options fine-tuning the display: The number of characters is perhaps the biggest factor, so consider turning off the judges and setting limits on match size-. If you don't want to donate numbers, you can donate to landfills instead and opt for basic character models (without fingers) - the ropes are surprisingly demanding, and you can squeeze in the extra. I regret that this game has not only more than I could ever fit in the app store description, so please consult with online guides for further reading:www.MDickle.com/guides/wr3d_booking.htm Please note that the Revolution of Struggle depicts a fictitious universe. Any resemblance to real wrestlers or actions is purely random. Page 2 Safe to downloadSte Primo and the link to download this app are 100% safe. The download link to this app will be redirected to the official App Store website, so the app is original and has not been changed in any way.
